The highest bidder (herein "Purchaser") shall immediately thereafter execute and deliver to Seller, the Purchaser's Agreement attached to these Conditions of Sale, and shall pay down 10% of the Purchase Price as a down payment toward the Purchase Price as security for the performance of the terms and conditions of these Conditions of Sale and Purchaser's Agreement. Purchaser acknowledges that the down payment shall be paid to the Seller, and shall not be held in escrow. Checks for the down payment will be deposited the next business day. Post-dated or undated checks shall be conclusively deemed to be dated on the date of this sale. Seller makes no representations as to the validity, existence, or condition of any vehicle title for any mobile or modular home situate on the Premises. Buyer shall bear the sole responsibility of conveying any mobile or modular home title at settlement, and/or the cancellation of same. This Paragraph 5 only sets forth the quality of title to be conveyed by Seller to Purchaser. Nothing herein shall be construed as obligating Seller to provide any title search, or title insurance, at Seller's expense. The costs of any title search and title insurance desired by Purchaser shall be the sole responsibility of Purchaser, as set forth in Paragraph 7 hereof.

If Seller is unable to convey title of the quality set forth above on or before the Settlement Date, (as hereinafter defined) Seller may have the option to extend the Settlement Date, as Seller and Purchaser may agree to in writing (the "Title Extension Period"), during which period Seller may seek to cure such title

If Purchaser elects to terminate this Agreement as provided above, Seller will return to Purchaser all payments made to Seller on account of the Purchase Price and reimburse Purchaser for all costs for searching title, appraisals, inspections, and preparation of the deed, mortgage, and other settlement papers. This Agreement and all obligations hereunder will terminate upon Seller's return and payment of the above amounts.

Any proceeding for condemnation or by eminent domain instituted against the Premises after the date hereof shall in no way affect Purchaser's obligation to purchase the Premises; provided that Purchaser shall receive credit for any proceeds, consideration, damages, or sums paid by any condemning authority as a result of such action if the same is paid prior to settlement. In the event that any such proceeds, consideration, damages, or sums are paid after the Settlement Date, Purchaser shall be entitled to receive the same. Seller's Disclosure Statement attached hereto notwithstanding, by execution of Purchaser's Agreement, Purchaser acknowledges that he has had a full and complete opportunity to inspect the Premises. ***The Premises is being sold unto Purchaser "AS IS", with no representation, guarantee or warranty regarding the condition of the Premises or any improvement or structure erected on the Premises, including, but not limited to, its structural integrity, roof, appliances, electrical system, heating system, plumbing, water system, sewage disposal system, or any portion thereof.*** The Lead-Based Paint Disclosure attached hereto notwithstanding, no representation is made or warranty given regarding the presence or absence of any

hazardous or toxic substances, materials or wastes, or that the Premises is in compliance with any federal, state or local environmental laws or regulations.

In the event any repair or improvement to or any inspection or testing of the Premises is desired by Purchaser or by any lender proposing to provide Purchaser with financing for the purchase of the Premises, the costs of any such repair, improvement, inspection, or testing shall be payable solely by Purchaser. Seller reserves the right to refuse to permit any such repair, improvement, inspection, or testing or to impose such conditions upon any permitted repair, improvement, inspection, or testing as Seller deems appropriate, including, but not limited to, insurance coverage and indemnification and hold harmless agreements. Purchaser's Agreement shall not be conditioned upon any such repair, improvement, inspection, or testing, or upon any specific results obtained from such inspection or testing.

11. **REAL ESTATE SELLER DISCLOSURE ACT:** Purchaser acknowledges that the Real Estate Seller Disclosure Act, Act No. 84 of 1996 (68 P.S. §7301, et seq.) (herein "Seller Disclosure Act"), requires Seller of certain real estate to provide certain disclosures regarding the real estate offered for sale, on a form required by Seller Disclosure Act. Purchaser further acknowledges that Seller Disclosure Act provides for damages in the event such disclosures are not made.

Attached hereto is a Seller's Disclosure Statement. Purchaser, by the execution of Purchasers' Agreement attached to these Conditions of Sale, acknowledges that he has a full and complete opportunity to review the Disclosure Statement attached hereto, and acknowledges receipt thereof. Purchaser hereby waives any further compliance with Seller Disclosure Act by Seller. Purchaser hereby releases, remises and quitclaims unto Seller any and all claims, actions or causes of action under Seller Disclosure Act. Seller has not conducted or had conducted any inspection or examination of the Premises, or any fixtures or equipment included with the Premises, prior to the date of this sale. The Disclosure Statement shall not constitute a guaranty or warranty of the condition of the Premises, or any fixtures or equipment included with the Premises. The Disclosure Statement shall not amend or supersede the provisions of Paragraph 10 of these Conditions of Sale.

Purchaser further acknowledges that neither the attorney for Seller, nor the auctioneer, has made any specific representations regarding the condition of the Premises, and that Purchaser has not relied upon any representations or statements of the attorney for Seller or auctioneer. Purchaser releases the attorney for Seller and the auctioneer from any claims, actions or causes of action arising from or due to any defect in the Premises existing on the date of this sale.

12. **LEAD BASE PAINT DISCLOSURE & WAIVER OF RISK ASSESSMENT:** This notice is provided pursuant to the requirements of regulations promulgated by the United States Environmental Protection Agency (herein "EPA"), 24 C.F.R. Part 35, and 40 C.F.R. Part 745. The Disclosure required by such regulations is attached hereto and made a part hereof. By the execution of Purchasers' Agreement attached to these Conditions of Sale, Purchaser acknowledges that he has reviewed the information as set forth in the Disclosure attached hereto, and certifies that, to the best of his knowledge, the information provided therein is true and accurate. Purchaser also waives rights under the aforesaid statute to be provided with a pamphlet required by the cited regulations about the dangers of lead poisoning. *The attached Disclosure contains a waiver of risk assessment. As a result of the waiver of risk assessment as set forth in the attached Disclosure, Purchaser acknowledges that the Premises is to be sold "AS IS", and shall not be subject to or contingent upon any such assessment or inspection for the presence of lead-based paint or lead-based paint hazards.*

13. **RADON DISCLOSURE:** Radon is a radioactive gas produced naturally in the ground by the normal decay of uranium and radium. Uranium and radium are widely distributed in trace amounts in the earth's

crust. Descendants of Radon gas are called Radon daughters, or Radon progeny. Several Radon daughters emit alpha radiation, which has high energy but short range. Studies indicate the result of extended exposure to high levels of Radon gas/Radon daughters is an increased risk of lung cancer. Radon gas originates in soil and rocks. It diffuses, as does any gas, and flows along the path of least resistance to the surface of the ground, and then to the atmosphere. Being a gas, Radon can also move into any air space, such as basements, crawl spaces and permeate throughout the home. If a house has a Radon problem, it can usually be cured by increased ventilation and/or preventing Radon entry. The Environmental Protection Agency advises corrective action if the annual average exposure to Radon daughters exceeds 0.02 working levels. Further information can be secured from the Department of Environmental Resources Radon Project Office, Call 1-800-23RADON or (215) 369-3590. Purchaser acknowledges that Purchaser has the right to have the buildings inspected to determine if Radon gas and/or daughters are present. Purchaser waives this right and agrees to accept the Premises AS IS, with no certification from Seller. Purchaser releases, quit-claims, and forever discharges Seller, their heirs and assigns, from any and all claims, losses, or demands, including personal injuries, and all of the consequences thereof, whether now known or not, which may arise from the presence of Radon in any building on the Premises. Seller has no knowledge concerning the presence or absence of Radon.

14. **ZONING:** The parties acknowledge that no representation whatsoever is made concerning zoning of the Premises, or the uses of the Premises that may be permitted under local ordinances, and that Purchaser has satisfied himself that the zoning of the Premises is satisfactory for his contemplated use thereof. Purchaser hereby waives any applicable requirement for Seller to provide a certification of zoning classification prior to settlement pursuant to Disclosure Act of July 27, 1955, P.L. 288, §3, as amended and reenacted (21 P.S. §613). If Purchaser's intended use requires any federal, state, or local permits or inspections, including, but not limited to, use or occupancy permits, Purchaser is responsible for obtaining such permits or inspections at Purchaser's expense.

23. **CONSTRUCTION**: All references to the highest bidder, Purchaser or Purchaser contained herein shall be deemed to refer to all Purchasers, jointly and severally, whether referred to in the singular or plural, or masculine or female, form.

24. **ASSIGNMENT**: Purchaser may not assign these Conditions of Sale, in whole or in part, without first obtaining the written approval of Seller.

25. **INTENT**: This Agreement represents the whole Agreement between the parties, and any representations concerning the Premises, or otherwise, made prior to the execution of Purchaser's Agreement, are hereby superseded by this Agreement.

26. **AMENDMENT**: No modification of these Conditions of Sale shall be valid unless made in writing, executed with the same degree of formality as these Conditions of Sale and Purchaser's Agreement attached hereto.

27. **EFFECT OF WAIVER OR CONSENT**: A consent or waiver by Seller, express or implied, to or of any breach or default by Purchaser in the performance of these Conditions of Sale is not a consent or waiver to or of any other breach or default. Failure on the part of Seller to complain of any act of Purchaser or to declare Purchaser in default of these Conditions of Sale, irrespective of how long that failure continues, does not constitute a waiver by Seller of Seller's rights with respect to that default until the applicable statute-of-limitations period has run.

28. **SEVERABILITY**: If any provision of these Conditions of Sale or the application thereof to any person, entity or circumstance is held invalid or unenforceable to any extent, the remainder of these Conditions of Sale and the application of that provision to other persons, entities or circumstances are not affected thereby. In such event, the invalid or unenforceable provision will be enforced to the greatest extent permitted by law.

SELLERS PROPERTY DISCLOSURE STATEMENT

100 Middle Creek Road, Lititz, PA – **Cottage**

A seller must disclose to a buyer all known material defects about property being sold that are not readily observable. This disclosure statement is designed to assist the seller in complying with disclosure requirements and to assist the buyer in evaluating the property being considered.

This statement discloses the seller's knowledge of the condition of the property as of the date signed by the seller and is not a substitute for any inspections or warranties that the buyer may wish to obtain. This statement is not a warranty of any kind by the seller or a warranty or representation by any listing real estate broker, any selling real estate broker or their agents. The buyer is encouraged to address concerns about the conditions of the property that may not be included in this statement. This statement does not relieve the seller of the obligation to disclose a material defect that may not be addressed on this form.

A material defect is a problem with the property or any portion of it that would have a significant adverse impact on the value of the residential real property or that involves an unreasonable risk to people on the land. The fact that a structural element, system or subsystem is near, at or beyond the end of its normal useful life is not by itself a material defect.
