The high bidder shall immediately, or within two (2) business days after the public sale if the high bidder purchases telephonically and/or online, sign the Purchaser's Agreement in these Conditions of Sale and pay down ten percent (10%) of the purchase money as security for performance under these Conditions of Sale. The down payment shall be paid to Seller's attorneys Gibbel Kraybill & Hess LLP. If any dispute arises among bidders, the Property may be offered for renewal of bidding. The Seller reserves the right to reject bids.
4. **Settlement.** The balance of the purchase money shall be paid at settlement at a title company or law firm of the Purchaser's choice on or before Wednesday, December 18, 2024 (unless another time or place is agreed upon by the Seller and Purchaser).
 - a. Title. Upon such payment the Seller shall convey to the Purchaser, by Deed prepared at the Purchaser's expense, good and marketable title to the Property, free of all encumbrances not noted in these Conditions, but subject to building and use restrictions, ordinances, easements of roads, rights of public service companies, and easements, rights or other non-monetary encumbrances either of record or visible upon inspection.

At settlement the Property shall be in substantially the same condition as at present, except for: (1) damage caused by act of nature, fire or vandalism, (2) damage that occurs after possession has been given to Purchaser, (3) any taking by eminent domain; and (4) ordinary wear and tear. Purchaser's opportunity to view or inspect the Property prior to or on the day of the public sale shall be in lieu of any subsequent view, inspection, or walk-through, and by signing the attached Purchaser's Agreement, Purchaser expressly waives the right to any such inspection or walk-through at any time after the execution of the Purchaser's

Agreement. The Property is sold AS IS and Seller makes no other warranty as to the condition of the Property. The Seller has no knowledge of any environmental hazard.

- c. Insurance. Seller will continue the present fire insurance coverage until settlement and will promptly pay to Purchaser any insurance proceeds received for damage that occurs after the sale.
 - d. Formal tender of Deed and purchase money are waived.
 - e. Realty Transfer Taxes shall be paid by Purchaser.

 - g. Possession. Possession shall be given to the Purchaser at settlement.
 - h. Status of Water. Purchaser is advised that this residence obtains water from a well on the Property. Seller makes no representation or warranty as to the quality and/or quantity of any on-site or off-property source of water. These Conditions are expressly not conditioned upon the availability of water.
5. **On-Lot Well and Septic System:** Seller hereby represents that there is no public water and no public sewer for the Property. With respect to the sale of any lot for which there is no currently existing community sewage system available, Pennsylvania law requires that every contract for the sale of such lot contain the following notice:

THERE IS NO CURRENTLY EXISTING COMMUNITY (PUBLIC) SEWAGE SYSTEM AVAILABLE FOR THE SUBJECT PROPERTY. Section 7 of the Pennsylvania Sewage Facilities Act provides that no person shall install, construct, request bid proposals for construction, alter, repair or occupy any building or structure for which an individual sewage system is to be installed, without first obtaining a permit. Purchaser is advised by this notice that, before signing this Agreement, Purchaser should contact the local agent charged with administering the Act to determine the procedure and requirements for obtaining a permit for an individual sewage system. The local agency charged with administering the Act will be the municipality where the Property is located or that municipality working cooperatively with others.

By signing the attached Purchaser's Agreement, Purchaser acknowledges receipt of the above Notice and any additional information required to be provided to Purchaser under the Pennsylvania Sewage Facilities Act.

6. **Lead Warning Statement for Dwellings Built Before 1978.** Every Purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young

children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The Seller of any interest in residential real property is required to provide the Purchaser with any information on lead-based paint hazards from risk assessments or inspections in the Seller's possession and notify the Purchaser of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.

- a. Disclosure. This dwelling was built before 1978, and lead-based paint and lead-based paint hazards may be present in the housing. Seller has no reports pertaining to lead-based paint or lead-paint hazards.
 - b. Waiver. By signing the attached Purchaser's Agreement, Purchaser acknowledges receipt of the pamphlet *Protect Your Family from Lead in Your Home*, and waives the opportunity to conduct a risk assessment or inspection for the presence of lead-based paint and/or lead-based paint hazards.
7. **Seller's Property Disclosure Statement.** By signing the attached Purchaser's Agreement, the Purchaser acknowledges receipt of the Seller's Property Disclosure Statement that is required by law. However, Seller makes no warranty as to the condition of the Property, including without limitation any or all environmental matters. Purchaser acknowledges and agrees that the Property and all personal property and/or fixtures transferred hereunder shall be sold and conveyed "AS IS; WHERE IS" and with all faults, and Purchaser assumes the risk that adverse past, present, or future physical or operational characteristics and conditions may not have been revealed by its inspection or investigation.
8. **Agent Participation.** If the Purchaser engages a real estate agent in any capacity, the Purchaser shall be responsible for paying any and all fees or commissions charged by the agent, and Seller shall have no responsibility to compensate the agent, regardless of Seller's consent to agent participation.
9. **Default.**
 - a. If the Seller is unable to give title as required by these Conditions, the Purchaser's sole remedy shall be to: (1) take such title as Seller can give; or (2) require Seller to return all payments. Upon such return all further obligations of both Seller and Purchaser under these Conditions shall terminate.
 - b. The time for settlement is of the essence. If the Purchaser does not comply with these Conditions, the Seller, in addition to all remedies provided by law, may either: (1) retain Purchaser's down money as liquidated damages regardless of whether or on what terms the Property is resold; or (2) resell the Property at public or private sale, with or without notice to the present Purchaser or any sureties, and retain any advance in price, or hold the present Purchaser and any sureties liable for any loss resulting

from such resale, meanwhile holding the down money as security for or toward payment of any such loss. In addition, Purchaser shall pay any and all attorney's fees and costs incurred by Seller arising from or relating to Purchaser's default.

10. **Entire Agreement.** These are all the conditions of this sale. The Conditions of Sale have been available for inspection before commencement of bidding. The Purchaser shall not rely on the public announcement of a summary of these Conditions as a complete statement of the terms and conditions of this sale. Any changes or additions to the Conditions of Sale shall be effective only if they are in a writing signed by the Seller.
11. **Parties.** The terms "Seller" and "Purchaser" include all who sign in those respective capacities.
12. **Binding Effect.** If more than one person signs as Purchaser, they shall have joint and several responsibility hereunder.
13. **Indemnification.** Purchaser, together with all other persons, parties, or entities affiliated with Purchaser, promises and agrees to defend, indemnify, release, discharge, and hold harmless Seller, and Seller's affiliates, associated entities or individuals, heirs, successors, assigns, contractors, subcontractors, agents, representatives, executors, trustees, and insurers of all of the foregoing against Purchaser's actions, omissions, misfeasance, malfeasance, or any transaction or occurrence stemming from the parties' duties and representations set forth in this Agreement, which results in, or forms the basis for, any suits, sums of money, liabilities, debts, damages, accounts, bonds, defects, warranties, covenants, contracts, agreements, controversies, obligations, costs, expenses, liens, judgments, claims, demands, actions, settlements, compromises, or causes of action whatsoever, at law or in equity, on any theory whatsoever, including, but not limited to, Purchaser's breach of this agreement, negligence, personal injury, property damage, patent infringement, or any other alleged violation of local, state, or federal law.
