If any dispute arises among bidders, the property shall immediately be put up for renewal of bidding.

3. BALANCE of PURCHASE MONEY shall be paid at SETTLEMENT to be held at the office of such attorney or title company as Purchaser may designate in Lancaster County, Pennsylvania, on or before July 10, 2025 (unless some other time or place shall hereafter be agreed upon by the Seller* and Purchaser), upon which payment the Seller shall convey to the Purchaser, by special (or "fiduciary", if applicable") warranty Deed prepared at the Purchaser's expense, good and marketable fee simple title to said property, insurable at regular rates by a title insurance company of Buyer's choice licensed to do business in the Commonwealth of Pennsylvania, free and clear of all liens and encumbrances not noted in these Conditions, but subject to any existing wall rights, easements, building or use restrictions, zoning or land subdivision regulations, encroachments of cornices, trim and spouting over property boundaries, or encroachments of any kind within the legal width of public highways.

At settlement, the property and all of its appurtenances and fixtures shall be in substantially the same condition as at present, except for (a) ordinary reasonable wear and tear, (b) damage of any kind for which full or partial recovery may be had under the Seller's or Purchaser's insurance, (c) damage that occurs after possession has been given to the Purchaser, or (d) any taking by eminent domain.

Purchaser should inquire after the property is struck off concerning the amount of such insurance and, if Purchaser considers Seller's insurance inadequate in amount or type, he should, at his own expense, procure such additional amounts, types, and/or policies of insurance as he may deem prudent to protect his risk.

9. The Seller reserves the right to reject any or all bids.

10. Survey, if desired by Purchaser, shall be obtained and paid for by Purchaser.

(herein "Seller Disclosure Act") requires the seller of certain real estate to provide certain disclosures regarding the real estate offered for sale on a form required by the Seller Disclosure Act. The Purchaser further acknowledges that the Seller Disclosure Act provides for damages in the event such disclosures are not made. The Purchaser further acknowledges that because of physical disability Seller has had her attorney-in-fact complete the disclosures; the attorney-in-fact has not occupied the property and the attorney-in-fact has limited personal knowledge regarding the property.

Attached hereto is a Seller's Disclosure Statement. The Purchaser, by the execution of the Purchasers' Agreement attached to these Conditions of Sale, acknowledges that he has had a full and complete opportunity to review the Disclosure Statement attached hereto and acknowledges receipt thereof. The Purchaser hereby waives any further compliance with the Seller Disclosures Act by the Seller. Seller has not conducted or had conducted any inspection or examination of the Property, or any fixtures or equipment included with the Property, prior to the date of this sale. The Disclosure Statement shall not constitute a guaranty or warranty of the condition of the Property or any fixtures or equipment included with the Property. The Disclosure Statement shall not amend or supersede the provisions of Paragraph 11 of these Conditions of Sale.

The Purchaser further acknowledges that neither the attorney for the Seller nor the auctioneer has made any specific representations regarding the condition of the Property, and that the Purchaser has not relied upon any representations or statements of the attorney for the Seller or the auctioneer. The Purchaser releases the attorney for the Seller and the auctioneer from any claims, actions, or causes of action arising from or due to any defect in the Property existing on the date of this sale.

12. Purchaser acknowledges that no representation whatsoever is made concerning zoning of the property, or the uses of the property that may be permitted under local ordinances, and the Purchaser has satisfied himself that the zoning of the property is satisfactory for his contemplated use thereof. Purchaser hereby waives any applicable requirement for Seller to provide a certification of zoning classification prior to settlement.

13. Purchaser acknowledges that these Conditions of Sale were available for inspection by Purchaser prior to the commencement of bidding and sale of the property, that the Purchaser had an opportunity to review the full Conditions of Sale, and that the Purchaser understands the contents of the Conditions of Sale and all terms and conditions under which the property is being sold, agreeing to be bound by the full terms and conditions as set forth herein. The Purchaser acknowledges that only a summary of the Conditions of Sale was read prior to the commencement of bidding on the property, and that the Purchaser is not relying upon the public reading of the Conditions of Sale as a complete statement of the terms and conditions for the sale of the property.

14. In case of non-compliance by the Purchaser with these Conditions, the Seller, in addition to all other remedies provided by law, shall have the option either (a) to retain the Purchaser's down money as liquidated damages regardless of whether or not, or on what terms, the property is resold, or (b) to resell the property at public or private sale, with or without notice to the present Purchaser or his sureties (if any) and to retain any advance in price, or hold the present Purchaser and any sureties liable for any loss, resulting from such resale, meanwhile holding the down money paid hereunder as security for or toward payment of any such loss.
