 - g. Possession. Possession shall be given to the Purchaser at settlement.
6. **Lead Warning Statement for Dwellings Built Before 1978.** Every Purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The Seller of any interest in residential real property is required to provide the Purchaser with any information on lead-based paint hazards from risk assessments or inspections in the Seller's possession and notify the Purchaser of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.
- a. Disclosure. This dwelling was built before 1978, and lead-based paint and lead-based paint hazards may be present in the housing. Seller has no reports pertaining to lead-

based paint or lead-paint hazards.

- b. Waiver. By signing the attached Purchaser's Agreement, Purchaser acknowledges receipt of the pamphlet *Protect Your Family From Lead in Your Home*, and waives the opportunity to conduct a risk assessment or inspection for the presence of lead-based paint and/or lead-based paint hazards.
7. **Seller's Property Disclosure Statement.** By signing the attached Purchaser's Agreement, the Purchaser acknowledges receipt of the Seller's Property Disclosure Statement that is required by law. However, Seller makes no warranty as to the condition of the Property, including without limitation any or all environmental matters. Purchaser acknowledges and agrees that the Property and all personal property and/or fixtures transferred hereunder shall be sold and conveyed "AS IS; WHERE IS" and with all faults, and Purchaser assumes the risk that adverse past, present, or future physical or operational characteristics and conditions may not have been revealed by its inspection or investigation.
8. **Agent Participation.** Seller bears no responsibility for any commissions or transaction fees owed to any realtors or brokers, except for the auction company's commission and costs advanced pursuant to the Real Estate Auction Contract. If the Purchaser engages a real estate agent in any capacity, the Purchaser shall be responsible for paying any and all Fees or commission charged by the agent, and Seller shall have no responsibility to compensate the agent, regardless of Seller's consent to agent participation.
9. **Default.**
 - a. If the Seller is unable to give title as required by these Conditions, the Purchaser's sole remedy shall be to: (1) take such title as Seller can give; or (2) require Seller to return all payments. Upon such return all further obligations of both Seller and Purchaser under these Conditions shall terminate.
 - b. The time for settlement is of the essence. If the Purchaser does not comply with these Conditions, the Seller, in addition to all remedies provided by law, may either: (1) retain Purchaser's down money as liquidated damages regardless of whether or on what terms the Property is resold; or (2) resell the Property at public or private sale, with or without notice to the present Purchaser or any sureties, and retain any advance in price, or hold the present Purchaser and any sureties liable for any loss resulting from such resale, meanwhile holding the down money as security for or toward payment of any such loss. In addition, Purchaser shall pay any and all attorney's fees and costs incurred by Seller arising from or relating to Purchaser's default.
10. **Entire Agreement.** These are all the conditions of this sale. The Conditions of Sale have been available for inspection before commencement of bidding. The Purchaser shall not rely on the public announcement of a summary of these Conditions as a complete statement of the terms and conditions of this sale. Any changes or additions to the Conditions of Sale shall be effective only if they are in a writing signed by the Seller.
11. **Parties.** The terms "Seller" and "Purchaser" include all who sign in those respective capacities.

12. **Binding Effect.** If more than one person signs as Purchaser, they shall have joint and several responsibility hereunder.
13. **Indemnification.** Purchaser, together with all other persons, parties, or entities affiliated with Purchaser, promises and agrees to defend, indemnify, release, discharge, and hold harmless Seller, and Seller's affiliates, associated entities or individuals, heirs, successors, assigns, contractors, subcontractors, agents, representatives, executors, trustees, and insurers of all of the foregoing against Purchaser's actions, omissions, misfeasance, malfeasance, or any transaction or occurrence stemming from the parties' duties and representations set forth in this Agreement, which results in, or forms the basis for, any suits, sums of money, liabilities, debts, damages, accounts, bonds, defects, warranties, covenants, contracts, agreements, controversies, obligations, costs, expenses, liens, judgments, claims, demands, actions, settlements, compromises, or causes of action whatsoever, at law or in equity, on any theory whatsoever, including, but not limited to, Purchaser's breach of this agreement, negligence, personal injury, property damage, patent infringement, or any other alleged violation of local, state, or federal law.
